**Fundraising fee**~ A fundraising fee of \$200 is charged to each FAMILY at the beginning of the year. The fundraiser profits are credited to each student based on what they sell or how much they work. Once you have raised \$200. in profits, your account is credited for that initial fee.

The fundraising fee is a motivator to participate in fundraisers. The Choir Boosters operating costs are funded by profits from fundraisers. If you choose not to participate in fundraisers, the \$200 fee is your “contribution” to the Boosters for operating costs.

It is easy to “earn back” your fundraising fee by participating in the fundraisers.
